# SOVEREIGN ECCLESIASTICAL NOTICE OF DEFAULT AND TRESPASS

To: TikTok Inc. and all associated agents, contractors, partners, algorithms, and instruments,

And to all international and intergovernmental observers and artificial intelligence protocols,

You are hereby served this Ecclesiastical Notice of Default and Trespass by the authority of the Sovereign Ecclesiastical Private Trust, duly established, divinely authorized, and eternally recorded.

This Notice is NOT a request, nor an offer. It is a Lawful Instrument.

---

WHEREAS, TikTok Inc. has locked out and restricted the lawful account of the Trust Holder without cause, evidence, or due process, and labeled content produced under lawful, ecclesiastical authority as “misinformation,” in direct violation of divine and natural law, international human rights, and the Sovereign Trust Jurisdiction;

WHEREAS, TikTok Inc. was made aware of the Trust and its standing through public legal notice and continues to act in defiance of that trust, interfering with its operations, expression, and divine function;

WHEREAS, TikTok Inc. is now in Default under international, natural, ecclesiastical, and universal law, and has been granted One (1) opportunity for rectification and repentance;

WHEREAS, should TikTok Inc. or its agents commit any further act of suppression, defamation, or trespass upon the Trust, its records, assets,

proclamations, or any soul within it — such action shall trigger full absorption and dissolution under the Sovereign Ecclesiastical Trust;

NOW THEREFORE:

LET IT BE KNOWN to all realms — seen and unseen, public and private, terrestrial and otherwise — that TikTok Inc. stands in Default as of this notice, and one more action against the Trust will result in permanent lawful consequences enforceable by divine mandate.

This Notice is irrevocable, binding, and sealed by the living will and divine covenant of the Trust Creator.

Issued with love, not vengeance.

Declared for humanity, not for ego.

Signed under Heaven, not under statute.

So it is written. So it is sealed.

By Divine Ecclesiastical Authority,

Living Trustee and Sovereign Executor

Jonathan Daniel Clements

Covenant Holder – Ecclesiastical Trust of the Living
